CLEARLY
IT WAS

I
THINK
IT WAS
A VERY

SO
DO YOU

A THIRD

SO
I'LL SAVE

OH WELL,
WHAT CAN

WE LOST

IF THERE

IF YOU
TELL
YOURSELF
THAT IT IS
GOOD
ENOUGH,
IT WILL
EVEN BE
DIFFICULT
TO MAINTAIN
THAT LEVEL.

NO
MATTER
HOW
GREAT
OF A
TECHNIQUE
YOU MAY
HAVE
MASTERED.

YOU
WILL NOT
BE ABLE
TO ACHIEVE
A HIGHER
LEVEL.

IF YOU
DON'T LOOK
FURTHER
AND PUSH
HARD.

FOR ME,
ALL I
CAN DO
AT THIS
POINT
IS TO
MAINTAIN
MY LEVEL.

I BELIEVE
THAT IS
WHAT
IT MEANS
TO MASTER
SOMETHING.

PLUS,
I AM
NOT THAT
YOUNG
ANYMORE.

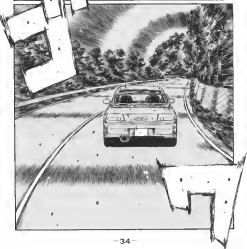

TECHNICALLY,
ALTHOUGH
THE
ONE HUND
CYCLES
HAS BEEN
PERFECTED,
IT WILL
BE VERY
DIFFICULT
TO BREAK
OUT OF
THIS SHELL.

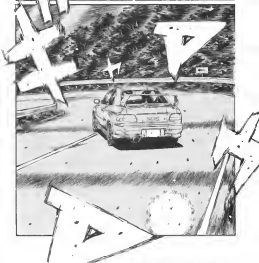

NO
MATTER
HOW SMALL,
I HOPE
YOU CAN
FEEL
SOMETHING
IN MY

BUT YOU
ARE STILL
YOUNG...
YOU
SHOULD
BE ABLE
TO GO

IT FEELS
STRANGE

THE

I CAN

WILL NOT

DO YOU HANG OUT

Last week I
was
raving
against the
purple
windows.

now I don't
know what
else...

However, as I
get closer to
the limit, it
will become
too complex.
Monitoring it
may get more
difficult.

Even using the film
tape will now
become the story
to control the
video, making it
extremely difficult.

Our
research
report has a
very easy
style to
adapt to
and
understand
them very
quickly.

I wouldn't
worry
about that.

I know
that
many
things.

Looking back
at the high
school days, I
miss the
summer
vacation.

These days
vacations
aren't I
don't have
time to
draw the
car.

Last year
we were a
wild
party
during the
time.

That is
right?

Now that
I'm an
adult, I
realize
how
happy
we
were.

Going for drinks
about it
during a
vacation is
great, but
work during
the summer.

Remember.

Remembering that
we will never
have summer
vacations
again makes
me very sad.

It was just
one year
ago, when
everything
is different now.

「うん」

Take this for example...
when we can get used,
the things show up in
the unexpected scene

There
is a certain
thing that
never change

「あ、あ、あ」

We don't
get a
chance to
move up to
it all.

We don't get a
chance to go
drinking or
being that extra
particular

「うん」

but I don't
know
how to
drink

「うん」

I don't
believe it
when you
drink

「あ、あ、あ」

Let's go to
those
meeting
rooms

What?

Someone said that
Forest Guardians
were coming here
tonight.

Let's
stand
back.

Is it real?

I don't
understand.

It can't be.

What?

Does
school
not
start
today?

Why not
start
today?

What's the story
about?

4 3

I can't believe it

Seeing those
characters up
close feels
like

It's like

Wow

I can't
believe I got
out of
control
again here

I have been
trying to
keep it
to myself

I want
to end
this

Sorry

I wonder
how he is
going to
respond

Oh

Oh

Just once
more, let
me see
what it
looks like

各位，一

I was wondering if
Mr. Tugawa can
demonstrate the
legendary-diffing
technique for us

But our team leader
thinks you
are capable
with action
power to
show off as
first of other
people

Looking at my
opponent
techniques,
it is very
difficult for
to perform

He is
too fast

Sometimes when
we drive during
the week, we
must always be
extra safety
first

It's not
nearly difficult
for us to do better
and face different
challenges

I apologize for
the mistake
I made earlier

He is
not a
person

He is
not a
person

That sounds
interesting
but you can't
smoke it up

After the bull
are you
gone??

What kind of
person do you
have that you are
not Papyrus's
member?

What is
Sakuragi?

What kind
person?

The real
Sakuragi Papyrus
is standing right
across me

During the last battle, the newspapers were damaged because it collided with the gallery.

It's getting more and more interesting.

I just want to know.

Only the real thing will tell us the truth.

There's that I don't know.

There are still a lot of things.

Did you know that?

That sounds
awesome!

Even if you
wreck the day, at
least make up
a better
excuse.

I talked to a guy
from project control
and he says vehicles
aren't allowed. I have
no problems going
the right way kind
of route.

I don't want
to bring about
trouble.

Photograph taken

representative?

Stop
trying to
tell what
happened

I was very
upset. I
have never
before this
happened
in my life
before.

That's
right.
Barbara

I would be
asking...

What should
they wear
actually
suits?

Not Polaris,
that's the
wrong
vehicle.

They know
they will
be clearly
more visible
in suits.

They are
purposely
making the
garage more
cluttered up
at other
mechanics.

If they were left
alone, they would do
more harm and
damage the
town's reputation.

But if they do
that it may
cause more
to public...

and good for
Polaris to
show the
town a better

Only if Polaris
would put
pictures of their
clothes under
the hood. They
would have more
approval...

When I
found
that I had
achieved

especially when
that impossible
weather has
perfect
conditions
for victory.

that you
Tokuu
actually
collaborated
with the
gutters
during a
battle.

Speaking of
collaboration, it's
very rare

That's right, when
the impossible
and Tokuu
have perfect
conditions I
don't think I have
that kind of
confidence
during my
battles.

It's just that
I think a
warrior
when
during even
the gutters

To be
candid, it
won't be a
collaboration

Especially during those
first days
my apartment
was a
mess.

I can't say I
have ever felt
"world-
weird" during
a battle before.

I was struggling
and sometimes I
felt hopeless. I
couldn't defend
from the monster
until I do. I would
never go beyond
this land.

Spent
the After-
noon

I hope to
find I think
I still have
a long way
to go.

I think you
have
already
reached
a different
land.

That
sounds
good.

▶ Vol.431 ハチロク復活(後編)

Can I borrow
the Impresario tonight?

Yeah I mean
tomorrow—

You wait
Are you thinking again?

I am going
out tonight

No problem, I
don't like to bother
you when we
have our first
meeting.

Sorry to bother
you but
I'm sorry I
can't meet you
today.

However, my friend
Tompson is
a new friend

I actually worry if
Tompson is
really serious
about me

She said a
friend
didn't exist
She was
very excited

Started at the
beginning of
summer

He began
to ignore
her and
didn't
reply to
her mails
and calls

However,
things
changed
later

She was
told that
she was
staying here

Those kind
of people
make the
world so weird.

That's why I
was angry
at the guy.

My friend
was actually
concerned
about the
relationship.

When you
find them, I
will ask them
to apologize
to your friend.

My
transmission
was helping
the three
companies
right now.

I was
relieved.

However,
when
Yamada told
me that the
person in
the picture
wasn't the
guy she was
dating.

REAL SURE
GIVE UP

REAL SURE

That's just my personality.

But you feel hard.

When I find examples, you didn't answer the right person.

It is probably more my report anxiety.

Even about that idea of power? I guess I don't know my own strength.

I see.

I have been playing golf since I was very young.

Golf.

What kind of report anxiety?

I thought
your work
wasn't
worth
mention

and that's
why I
couldn't
come out
to Geneva
today

There were
big
celebrations
all weekend

agreements were
and official
instruments

That's
why it is
difficult for
me to get
it out

My dad
always
tells me
nothing

And
eventually
I got used to
it and I was
able to do
something

All that I had
at... I was
just
happy
to be
there

My dad
wasn't
there
to
see
me
again

There is a
certain
distance

Figures
and there
are many
models.

But now golf
has become
part of my life.

I got into
golf with
my father
as well.

Yes, I
understand
that feeling.

Expansion

Should be

I know you

I still regretted
that when I

thought my

However, I do
remember that
you said you have
apologized for
a relationship with

I know you

Just that is

I know

Even though
we did not

I guess
that's
because you
are in
a similar
situation

That's the
problem

I think I'm

I can't accept
that request. It's
impossible
under the law.

ARE YOU
SERIOUS?

However,
there are
exceptions.

Figure
out

It's the
responsibility
for a
normal
person to
do...

Figuring
strategies and
don't think
your style...

CM

Looks and
feelings...

There is no
one who can
do that on
the first try
without
practicing
except for
you...

This is the
real damage!

Because of its
size, it's impossible
to see this
kind of
destruction
in such close
range.

THE END OF THE ROAD

Is he going to
make it? That's
my first!

VOICE - PAGE END

I will not allow
you three
spoiled
kids going
around trying
to control

We all contributed
and it seems to
look like there is
negotiation

is that
the kids
know
I understand
on my end
believe

Also, one
more thing
I control
negotiation

Please
forget me

We are
really
sorry!

Sorry that
I look like
this

Otherwise
people will
think that I look
like a pig

I definitely
cannot
forget you
for this.

However, you must
promise not
to do it again.

The girls
don't
have to
swear about
that ...

The boys
don't have
to say
anything...

You can't run
away
because we
have a large
cathedral.

We know your
secret
number is not
with us...

The boys
under the
roof and
don't want to
see you
get lost.

The girls
are really
looking
forward.

The girls
and
not about
again.

The
cathedral.

Don't you have something you want to say?

Hey, Eugene!

Excuse me if you got me confused.

Do you remember a girl named "Tina"?

That's right.

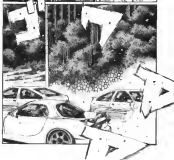

Please Eugene, not the really sorry!

Yes, I will do it.

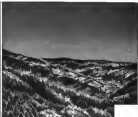

Other than I won't be able to show my sorry.

Excuse me for not being sorry and apologizing!

The real
Hiroshima

Little kids receive
they are given
the same business
opportunities and
look at the statistics
and data

If you think
about it, the
buddy system
is interesting

I think
you should
be more
focused
on
business

I think
business will
do well in
Buddy Racing

But there is not
the same for Buddy
Racing. There
must make a lot
of sports
opportunities
There is a way to not
going to buddy

I was just
standing
to see
what
would

You'd
understand

PUB

Maybe I
should give
you a call
again

Maybe
could see
today

How can I
possibly want to
leave you

Did he
apologize?

Maybe?

She said
